

# How to upload W/E reading using Web App

\*NOTE I will use demo account 10000610012 and Chrome

1.

a) Use chrome and type the url below

<https://matlosana-meter-reading.co.za>

b) Allow location tracking on chrome and on phone

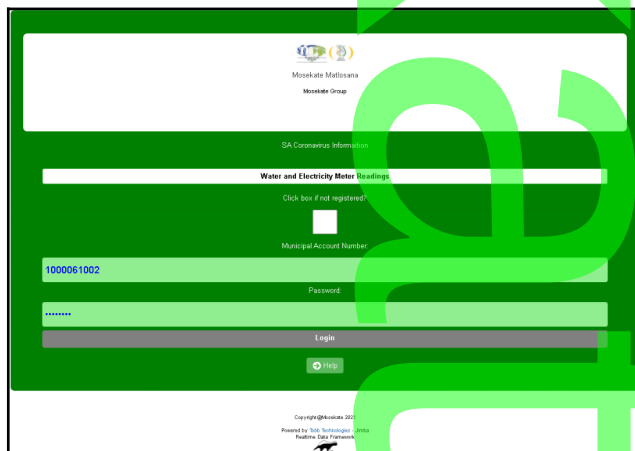

**Android (Chrome)**

1. Open the Google Chrome app.
2. Touch the Chrome menu .
3. Touch Settings > Site settings > Location.
4. Use the switch to either have Chrome ask before accessing your location, or to block all sites from accessing your location.
5. Touch the specific blocked or allowed sites to manage exceptions.

2.

a) Login

## b) Register
